

SNAME
MAKING WAVES IN THE MARITIME INDUSTRY

Permission to reprint/reuse SNAME content (in whole or in part)

Material originally appearing in SNAME publications cannot be reprinted or reposted online without written permission from the Society. For permission to reprint or use SNAME articles in any form, please complete, sign and submit the attached form.

If requesting permission to use material on a company's internal network, include number of individuals who will have access to this article.

Appropriate credit should be given to the Society in a standard format, indicating author and the source from which the material came. For example:

“Originally presented at FAST 99, Seattle, August 99. Reprinted with the permission of the Society of Naval Architects and Marine Engineers (SNAME).”

In cases of re-publication or sales a fee may be required. Should you have any questions regarding any portion of this permission request letter please contact us by e mail at publications@SNAME.org

Thank you for your interest SNAME and the research material published by the Society. Please note that it is necessary to renew this permission each time you wish to reprint material published by the Society.
