I grant SNAME the right to publish and distribute the manuscript identified above, together with any supplementary tables, figures, or other materials submitted for inclusion, in all formats and media, worldwide and in all languages. This licence authorises SNAME to make the manuscript available in print, electronic, and online formats, and to enforce these rights against third parties.

I acknowledge that I retain the copyright in the manuscript, and that no patent, trademark, or other intellectual property rights are transferred to SNAME. Notwithstanding the publishing and distribution licence granted above, I retain the right to use the preprint, accepted author manuscript, and published journal article in accordance with the Creative Commons Attribution Non-Commercial Share Alike 3.0 Unported License (CC BY-NC-SA) and for personal purposes. I further acknowledge that SNAME holds the exclusive right to make, or to license, any commercial use of the manuscript.

I confirm the Author Representations set out below and affirm that I have reviewed and complied with the Guide to Authors, the Ethics in Publishing policy, and the Conflicts of Interest disclosure.

I confirm that the manuscript is original, authored by the named contributors, and has not been published elsewhere. It contains no defamatory or unlawful material, and does not infringe the personal, proprietary, or other rights of any individual or entity. Where excerpts from copyrighted works are included, I have secured written permission from the copyright holders and acknowledged the sources in the manuscript. Where personal data or images of patients, research participants, or other individuals are used, I have obtained all necessary consents in accordance with applicable law and complied with the publisher's policies governing such use.

### Author Representations

For co-authored manuscript, I confirm that I have informed all co-authors of the terms of this Licence Agreement, that I sign on their behalf as their authorised agent, and that I am duly authorised to do so.
